

Logging Signs Available

To be safety compliant when performing logging operations, logging signs are available through Great Lakes Timber Professionals Association.

These 24" x 24" signs are made of bright orange 4mm corrugated plastic. They feature 4" high black letters with a heavy black border at the edge. They can be drilled, nailed, or stapled to available supports.

The available signs are: Logging Operations Ahead, Forestry Operations Ahead, Trucks Entering Roadway, Timber Falling Ahead, Road Closed, Truck Crossing and Timber Felling Ahead.

Cost: \$ 21 each (includes sales tax)

To purchase these signs, please fill out the form below and mail with your payment.
