Protecting a Multiple-Use Forest for Future Generations

Serving forest industry members in Michigan and Wisconsin since 1940

GLTPA — Celebrating the Forest Industry Since 1940

The Great Lakes Timber Professionals Association (GLTPA) works to ensure forest management best practices are observed in order to strengthen and support the forest products industry in Michigan and Wisconsin.

“ We directly engage with lobbyists to actively address local, state and federal issues affecting the forest products industry. ”

In advocating for the forestry community, GLTPA works closely with numerous organizations:

- American Loggers Council
- Federal Forest Resource Association
- Forest Resource Association
- Michigan Association of Timbermen
- Michigan Forest Products Council
- Michigan Towns Association
- Ruffled Grouse Society
- Trees for Tomorrow
- Wisconsin County Forests Association
- Wisconsin Paper Council
- Wisconsin Towns Association

Bringing People Together

Great Lakes Logging & Heavy Equipment Expo

Hosted and organized by GLTPA, the annual Expo is the largest forest products trade show in the Midwest.

“ It’s an ideal forum for industry professionals to learn about new initiatives as well as forestry and heavy equipment products while meeting fellow members and colleagues and networking with peers. ”

Great Lakes TPA Magazine

Great Lakes TPA is GLTPA’s official monthly publication. With national readership, the magazine provides information on promoting forest products and works to foster pride and professionalism among manufacturers, operators, transporters, landowners and foresters.

GLTPA Education and Training

Supporting Youth

GLTPA provides educational opportunities and support for younger generations—from Log A Load for Kids® Charitable Harvest events supporting Children’s Miracle Network Hospitals to connecting schools with local forestry professionals.

FISTA Training

Through the Forest Industry Safety & Training Alliance, Inc. (FISTA), we provide hands-on chainsaw safety training and SFI® workshops. From loggers and landowners to foresters, sawmills and truck drivers, everyone has something to learn!
